ENGLISH

SILVER by Hu-Friedy offers dentists an affordable line of instruments designed to meet the basic needs of the most common dental procedures. Each SILVER instrument is manufactured by our skilled craftsmen at our factory in Chicago, Illinois, USA. High quality surgical stainless steel ensures a high level of corrosion resistance preserving the value of these moderately priced instruments. Durability, sharp cutting edges, and consistency of angles are all indicators of the fine quality and craftsmanship to be found in every SILVER instrument.

WARRANTY

Any SILVER by Hu-Friedy instrument that fails as a result of material defect or poor workmanship within 90 days of purchase will be replaced at no charge.

HOW TO PLACE AN ORDER

SILVER by Hu-Friedy instruments are available through authorized Hu-Friedy dealers. For a listing of dealers authorized to sell SILVER, please contact Hu-Friedy: 773-975-6100. Customers in our Hu-Friedy Europe service area may contact our office in Leimen, Germany: 49-6224-97000.

ESPAÑOL

SILVER de Hu-Friedy ofrece a los dentistas una línea de instrumentos a precios asequibles diseñados para cubrir las necesidades básicas de la mayor parte de los procedimientos dentales. Todos los instrumentos SILVER han sido fabricados por nuestros expertos artesanos en nuestra fábrica de Chicago, Illinois, Estados Unidos. Un acero inoxidable quirúrgico de alta calidad garantiza un elevado nivel de resistencia a la corrosión con lo que preserve el valor de estos instrumentos de precios moderados. La durabilidad, los bordes afilados y la consistencia de ángulos son todos ellos claros indicadores de la gran calidad y destreza que se puede encontrar en todos y cada uno de los instrumentos SILVER.

GARANTIA

Cualquier instrumento SILVER de Hu-Friedy que falle como consecuencia de un defecto de material o de fabricación en el plazo de los 90 días posteriores a la fecha de adquisición será sustituido sin ningún costo.
